- Assists in supervising or training of new recruits, volunteers, and part-time employees.
- Provides excellent customer service to members of the general public and other County employees. Personal contact occurs with other employees of the unit, employees of other departments in the County, citizens, and customers of the department. Service is provided in person or by phone contact.
- Implements the organization's guiding principles and core values.
- Performs other related job duties as assigned.

SUPERVISION

This position is responsible for directly and regularly supervising work of employees with no indirect supervision. Includes assigning, directing, evaluating, and reviewing work of subordinate employees. Responsibilities include providing on-the-job training; evaluating job performance; recommending selection of new staff members, promotions, status changes, and discipline; and planning, scheduling, and coordinating work operations.

QUALIFICATIONS

Education and Experience:

High school diploma or equivalent; seven (7) years' continuous experience in Marion County Fire Rescue as an Operations employee; or an equivalent combination of education and experience.

Licenses or Certifications:

Possession of a valid, State of Florida driver's license to operate a motor vehicle. Requirement exists at the time of hire and as a condition of continued employment.

- Florida State Certified Paramedic.

- American Heart Association or Red Cross CPR certification.
- Advanced Cardiac Life Support certification.

KNOWLEDGE, SKILLS AND ABILITIES

- Ability to read, analyze, and interpret general business periodicals, professional journals, technical procedures, or governmental regulations.
- Ability to write reports, business correspondence and procedures.
- Ability to effectively present information and respond to questions from groups of managers, clients, customers, and the general public.
- Ability to calculate figures and amounts such as discounts, interest, commissions, proportions, percentages, area, circumference, and volume.
- Ability to apply concepts of basic algebra and geometry.
- Ability to apply common sense understanding to carry out instructions furnished in written, oral, or diagrammatic form.
- Ability to deal with problems involving several concrete variables in standardized situations.
- Ability to explain records and procedures to others as lead worker.
- Ability to exercise judgment regarding use of equipment, tools, or materials.
- Considerable knowledge of fire suppression and prevention principles, procedures, techniques, and equipment.
- Considerable knowledge of emergency medical techniques and their applications.
- Considerable knowledge of hazardous materials and specialized rescue operations.
- Considerable knowledge of pre-emergency planning and inspection techniques and applications.
- Knowledge of departmental policies, operating procedures, rules and regulations, and the Collective Bargaining Agreement.
- Ability to be mentally capable of calming bereaved, angry, or emotionally distraught members of the public.
- Ability to lead teams of emergency personnel in fire combat or emergency medical/rescue situations under physically and mentally adverse conditions.
- Ability to react promptly and effectively in emergency situations.
- Ability to maintain situational awareness under extremely stressful and/or very high-risk environments.
- Ability to make appropriate tactical decisions with limited data and secure safety of subordinates and public.
- Ability to remain calm in stressful situations.
- Ability to take a teamwork approach to the job by cooperating with others, offering to help others when needed and considering larger organization or team goals rather than individual concerns. Includes the ability to build a constructive team spirit where team members are committed to the goals and objectives of the team.

PHYSICAL DEMANDS

The work is very heavy work which requires exerting in excess of 100 pounds of force occasionally and/or in excess of 50 pounds of force frequently, and/or in excess of 20 pounds of force

constantly to move objects. While performing the duties of this job, the employee will regularly be required to stand, walk, use hands to finger, handle, or feel, reach with hands and arms, climb or balance, stoop, kneel, crouch, or crawl, and wear a respirator.

WORK ENVIRONMENT

Work is performed in a wide variety of indoor and outdoor environments. While performing the duties of the job, the employee will have exposure to extreme weather conditions. Operations typically expose employees to a wide variety of adverse or hazardous environments. Extreme temperature variations, loud noises, fumes, and noxious or airborne particles, vibrations, and potentially hazardous diseases and substances is possible.
