

Marion County Board of County Commissioners

POSITION DESCRIPTION

To perform this job successfully, an individual must be able to perform the essential job functions satisfactorily. Reasonable accommodations may be made to enable individuals with disabilities to perform the primary job functions herein described. Since every duty associated with this position may not be described herein, employees may be required to perform duties not specifically spelled out in the job description, but which may be reasonably considered to be incidental in the performing of their duties just as though they were actually written out in this job description.

LIGHT EQUIPMENT OPERATOR I / II

Department: Office of the County Engineer
Pay Grade: 202 / 203
FLSA Status: Non-Exempt
Job Class: 8038
Risk Code: 5506

JOB SUMMARY

Responsible for performing semi-skilled manual work in the operation of several types of small, light, and medium equipment involved in the maintenance and/or construction of County road facilities to ensure the safety and welfare of the general public.

ESSENTIAL JOB FUNCTIONS

- Operates various pieces of small, light, and medium equipment while performing maintenance and/or construction on County roads and rights-of-way.
- Assists in the setup of work zones and routinely responsible for performing flagging duties to ensure the safety of workers.
- Uses various hand tools while performing maintenance and/or construction activities on County roads and rights-of-way.
- Aids Florida Law Enforcement and Emergency Operations with County road related incidents and hazards.
- Performs routine, light maintenance to include the cleaning of various small, light, and medium equipment to ensure safe, efficient, and continuous operation.
- Handles hazardous and non-hazardous materials required in the maintenance and/or construction of County roads and rights-of-way.
- Assists in the set-up of work zones
- May be responsible for performing flagging duties to ensure the safety of workers
- Completes all required paperwork to include work reports, equipment and vehicle checklists, and timesheets.
- Responds to emergencies and works on-call.
- May be required to perform minor survey activities as needed to support drainage crew activities.
- Provides excellent customer service to members of the general public and other County employees. Personal contact occurs with other employees of the unit, employees of other departments in the County, citizens, and customers of the department. Service is provided in person or by phone contact.

- Implements the organization’s guiding principles and core values.
- Performs other related job duties as assigned.

SUPERVISION

This position may perform as a lead worker for a group of employees. May review the work product of others; provide direction, guidance, advice, and assistance to others on work assignments and ensure work assignment(s) is/are complete(d) as instructed, contacting supervisor for any questions or further direction.
